Based off my 20 years of touring I have developed a method for any level student prior to attending two advanced music colleges in the late nineties, which covers ear training, timing, finger picking, hybrid flat picking, chord structures, scales, and most importantly, collaborating with others you may know without being dependant on watching their moves!

I have been a touring professional since 1985 and have taught many bass and guitar students from Boston, Colorado, New Mexico, North Carolina, Vermont, and Tennessee mentoring both non music reading students advanced level players, to
studio and touring musicians. I have won awards for my songs.

I always encourage students to select two favorite songs to learn. I cover many genres of music leaving you lots of options. Currently, I host private one on one lessons via the Zoom Conference app which is free and is the industry standard among colleges. Students use Zelle through their bank or The Cash App for simple efficient payments.

If you like Chet Atkins, Robben Ford, Vince Gill, Tommy Emmanuel, Mark Knopfler, Brooks and Dunn, 50's classic Country to 90's country and classic rock there's ll love my lessons! Any [illegible] possible [illegible] listed [illegible] with [illegible] star [illegible]
