Many of you on this site know me and know I am a licensed Insurance Agent. I just want you all to know Open enrollment ends on January 31st. There is still time if you need help. As a licensed Agent..my cost to you is nothing..\$0.00. I am appointed with all the major companies, so I can help find the right plan for you. There is no one size fits all.

If you just want an agent to look over your application, I can do that too. Remember, I know the ins and outs of all these companies. I can answer a lot of questions.

I also have Dental and vision plans. Cancer, heart attack, stroke plans. If you have a family member with Cancer, you know how well 30, 40 or 50 Thousand would be a blessing for them while they recover. It is cheaper than you think.

Also, I am licensed in Florida, Georgia, Alabama, and Oklahoma.

Please feel free to private message me with any questions!!!!
